HARDWARE BY COASTAL

Coastal specialises in the design and manufacture of precision-made hardware solutions for external doors and windows.

We continuously innovate in the design and manufacture of our hardware to deliver the solutions of tomorrow. Our brands include BLU, DURATIQUÉ and GLACE and every piece is designed to enhance the look and improve the performance and durability of the doors and windows they're fitted to.

Consistently. Every time.

BLU™

316 Marine Grade Stainless Steel external door and window hardware solutions designed to enhance the aesthetics and performance of doors and windows.

BLU Hardware comes with:

- a 'Best in Class' Lifetime Guarantee, providing peace of mind that your Exterior Door and Window Hardware Solutions will last at least as long as the Doors and Windows themselves.

DURATIQUÉ™

Black Antique Hardware that's built to last. The stainless steel base material of DURATIQUÉ hardware combined with an electrostatic polymer top coating has enabled us to achieve a world class corrosion resistance rating.

- Durability - Manufactured from Stainless Steel and Salt Spray Test to Class 5
- Value - 25 Year Mechanical guarantee and 15 Year finish guarantee.

GLACE™

Range of window hardware made from solid brass. Using the latest manufacturing technologies, this hardware range features classic styling combined with quality. The GLACE Hardware Range is forged to ensure consistent and accurate fixing points every time.
